Aldersley High School: Transition information update

Dear Parent/Carer,

Following my update last week we are delighted to invite your child to a transition session on the date below:

Dates will be specific on your letter for your child between Monday 5th- Friday 9th July 2021

Please bring your child to the main reception where a member of staff will register them before entering the building. During this session your child will be able to familiarise themselves with their new learning environment, meet key members of staff and take part in a subject focused session. Due to current restrictions we cannot offer our normal transition programme where they would normally, meeting the full cohort of students however, we will ensure lots of time is allocated to develop new friendships during their first week in September. During the transition session, your child will return home with a pack of information. Please ensure you read all information provided to help you prepare for their start in September. They will also be given a transition work pack which we encourage all students to complete. This is based on the book "Wonder" that will also be provided for your child to read over the Summer period. At Aldersley we encourage all students to read as much as possible and this book will enable them to relate to the process of transitioning to a new school.

Unfortunately we are unable to invite parents and carers into the school however you are more than welcome to join a Q&A session on Monday 12th July from 4-4.30pm. This will be a great opportunity to ask any questions and to hear key information about your child's start in September. Please email me any questions in advance. The link below will allow you to access the session.

Our Summer school that is scheduled from Wednesday 21st-23rd July will still go ahead as planned. This will be a fantastic opportunity for your child to engage in a range of activities, meet some of our teaching staff and develop some new friendships with their peers. The sessions will run from 9am until 2.30pm. We can accommodate 120 students per day so please ensure you complete the form below to reserve a place. You will receive confirmation of your place in advance.

We appreciate that your child will be experiencing lots of mixed emotions at the moment but please reassure them that the year 7 team of staff will be here to support them on the new learning journey and we look forward to meeting them very soon.

I recommend that you visit our school website regularly for updates on your child's transition. If you would like to get in touch regarding any of the above information, please do not hesitate to contact me via email at: kdunn@aatrust.co.uk. Alternatively, you can call me at the school on: 01902 556868

Thank you in anticipation of your support and I look forward to seeing you again very soon.

Yours sincerely,

Miss K Dunn
